## PASADENA CITY COLLEGE

1570 East Colorado Boulevard  
Pasadena, California 91106-2003  
Transcript Office: (626) 585-7396

### HISTORY

In 1924, one year of college work was added to the program offered by Pasadena High School and soon after another year was added. In 1928, Pasadena High School and Pasadena Junior College merged into a four-year junior college with grades 11-14 inclusive. A second four-year junior college, John Muir College, was organized in 1946. Pasadena Junior College's name was changed to Pasadena City College in 1947. In 1953, the two four-year junior colleges were combined into a single college, Pasadena City College, serving freshmen and sophomores. The Pasadena Area Junior College District formation was approved by the voters and became effective July 1, 1967. The name became Pasadena Area Community College District on September 10, 1970.

### ACCREDITATION

Pasadena City College is fully accredited through the Western Association of Schools and Colleges.

### CALENDAR

Pasadena City College operates under a semester system.

### AUTHENTICATION OF THE RECORD

A transcript is official when it bears the facsimile signature of the Associate Dean of Admissions and Records imposed over the college seal and must distort or disappear when photocopied. ### ACADEMIC RENEWAL WITHOUT COURSE REPETITION

The purpose of Academic Renewal (Sections 55764 and 55765 of the California Administrative Code) is to disregard students' previously recorded substandard academic performance when such work does not reflect current demonstrated ability. As a consequence, Academic Renewal allows students the benefits of their current level of ability and performance and does not permanently penalize them for poor performance in the past.

### A.A., A.S. DEGREE REQUIREMENTS

Minimum 60 units with a cumulative grade-point average of 2.0 or higher is required to earn a degree. See catalog for more specific requirements.
